The JUNEBUG 74

The Junebug 1974

East Technical High School

Cleveland, Ohio

Dedication

The Senior Class of 1974 is proud to dedicate this edition of the Junebug to John P. Noah, their unit principal, for "being many things to many students while consistently portraying the outstanding individual that he is." (Noah was presented the PTSA Founders Achievement award on Tuesday evening, February 26, 1974 in the school auditorium.)

THE PRINCIPAL'S MESSAGE
TO THE GRADUATING CLASS OF JUNE, 1974

Dear Seniors:

You are garduating in the most exciting time in history. There is no other era in the history of the world, that offers you the opportunity to meet the many challenges; to youth, and to those who are willing to do the necessary work for the greatest amount of self-development.

This is the most marvelous moment of man to be alive! Man not only has solved more of his problems of living, diet, life, longevity, health, and environment, but new problems dealing with the same topics, which crop up daily and demand solutions. I say that the problems of today are mind stretchers, for those who are willing to be concerned enough about himself, and his fellow man.

Many of you know that at one time I was an Athletic Cocch, and I sincerely believe one of the things that I used to say to my teams, "When the going gets tough, the tough get going." I said this to mean that you prepare to the greatest degree possible, through conditioning, diet, and mental attitudes to be tougher than your opponent, and when you had to call on that last bit of reserve to out-strip your opponent, you had that little extra to do it.

I believe what I am telling you, and I hope that each of you makes the greatest contribution possible to himself, and his community.

Yours sincerely,

Joseph D. Smith

Seniors Win Recognition in Annual Regional Art Scholastics and AAA Poster Contest.

Thomas Marshall (Left) and Leroy Davis (Right) were awarded placements in the Annual Scholastics Exhibit held at Halle's. Tommy had five paintings accepted by the judges and Leroy had one. Over 5,000 pieces were submitted in the show by local high schools, out of which less than 1,000 were chosen. At center is a poster recently completed by Leroy to be entered in the National Maritime Poster Contest. Joe Dennis and Suzette Etter won Honorable Mentions in the local AAA Poster Contest along with Juniors Mark Gould and Mark Hearn. All work will be forwarded to Washington, D.C., for national competition.

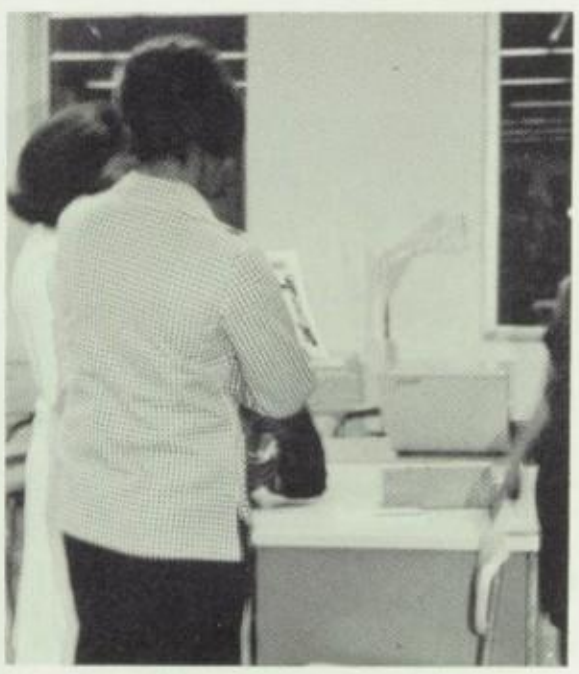
"East Tech and the Community" is Theme for Open House



Parents, pupils, principals, staff personnel, friends, all mingled together participating in various programs and activities to provide New East Tech with its most successful open house at this location. It was a rewarding evening for everyone.

East Tech Players Give Hilarious Performance of Russell's Play

The Tech troupe directed by Miss Trimble delighted a larger than usual audience. The comedy, "Five on the Black Hand Side," was written by Charlie Russell. Outstanding performances were given by Daniel Hart as Mr. Brooks, Gayle Bolton as Mrs. Brooks, Connie Thomas as Gail, Janice Merriweather as Nia (and The Evangelist), to mention but a few of the admirable cast.

Coach Chavers Hangs it Up . . .

Coach John Chavers announced shortly before the Scarabs' deciding Senate encounter with JFK that this would be his last season as basketball coach at East Tech. The coach has decided to reach for "higher things" according to the press - perhaps coaching at the college level. We certainly wish him well in whatever course his career takes. Chaver-coached Scarabs have an impressive record of five championships which include a State Championship (1972). The best runner-up loss to the East High Bombers marked only the fourth time in Chavers' 11 year tenure that a Tech team failed to qualify for the Senate double header. It was unfortunate, indeed, that in this, his last bow, 1974 turnd out to be the year that wasn't.

NOSTALGIA

He wore a long white scarf, a pair of flying goggles set at a jaunty angle on his head, riding breeches and flew a Jenny. Ah yes, the nostalgic days of aviation! But that's all changed now, and some other things have changed with it. Things like the pay, free education, travel, and technical training. By the way, the nostalgia is there too.
